---

We are happy to announce the release of version 2.3.3.3 on Dec 13th, 2005.

For a complete list of changes, please find the revision history here:

<http://www.byteplant.com/support/nospamtoday/server/changes.html>

The new version can be downloaded here:

<http://www.nospamtoday.com/download/server/>

Please help us to improve NoSpamToday!, any comment or suggestion is highly appreciated.

In the changes it says: "Rules updated". What does this actually mean as a user? We've only just had downtime to upgrade the product and don't want to have to do another for a minor change.

Thanks, Rob.
