Is the release history still available on the web site? Couldn't find it.

Cheers, Rob.

The release history for the SMTP proxy is to be found here:

<http://www.byteplant.com/support/nospamtoday/server/changes.html>

and for the workstation:

<http://www.byteplant.com/support/nospamtoday/workstation/changes.html>

Will these "Additional rulesets updated" help with picking up spam?

Just trying to decide whether to upgrade.

Cheers, Rob.
