Hello Group,

do we need a new key for the latest NST ? Ours doesn't work anymore, although they said upgrade is free when bought after July 2004 or so...

Greetings

If you purchased NoSpamToday! SMTP Proxy after July 1st 2004, you can upgrade to the new version for free. To get a new license key, please send an email containing

- the name of your company/organization
- the purchase date and license information

to [nstsupport@byteplant.com](mailto:nstsupport@byteplant.com).
