We are happy to announce the release of version 3.0.1.1 on April 24th, 2007.

This release is the much anticipated version 3 production release. Note that NoSpamToday! version 2 license keys will not work for version 3. To find more information about new features, upgrading and licensing, please view the news item on this page:

<http://www.byteplant.com/company/news/07042401.html>

As always, the new version can be downloaded here:
